APPLY

CONTACT

Applications are open!

Teams of NMSU and Fred Hutch Investigators can submit proposals for a three-year award starting September 1, 2023.

Pilot Projects provide funding, up to \$120,000 per year direct costs shared between institutions, and Full Projects provide funding, up to \$275,000 per year in direct costs shared between institutions. New partnerships are encouraged to apply for Pilot Project funding.

Applicants must be current members of NMSU and Fred Hutch faculty in positions required to conduct independent research.

Letters of Intent:

March 1, 2022, 5 p.m. PT/6 p.m. MT

Research Plans:

April 29, 2022, 5 p.m. PT/6 p.m. MT

Visit nmsu.link/cancer to download the RFA and apply.
