

## UNDERGRADUATE INTERN PRE-SURVEY

### Project #7: Undergraduate Student Training in Cancer Research

This is a survey about your career goals and motivations to attend graduate school. Your willingness to participate in this survey is voluntary. You may choose to answer specific questions or refuse to complete this questionnaire. There is no penalty or loss of benefits to you if you choose to respond only to certain questions or if you refuse to complete the survey. Your responses will not be shared with your mentor. It will take approximately 5 – 10 minutes to complete this questionnaire. You will be asked to complete a similar survey at the conclusion of the internship. If you agree to participate in this survey, please write your name in the space provided below. This survey should be returned directly to the program's project coordinator, Jennifer Anderson at mailstop M3-B232 or via email at: [janderso@fhcrc.org](mailto:janderso@fhcrc.org). Thank you for your time and contributions to the Cancer Research Internship Program!

Name: \_\_\_\_\_

1. **At the time that you applied to the Cancer Research Internship Program, what was the highest degree you hoped to earn?**

- <sup>1</sup> BA/BS
- <sup>2</sup> MA/MS
- <sup>3</sup> MBA
- <sup>4</sup> PhD
- <sup>5</sup> MD
- <sup>6</sup> MD-PhD
- <sup>7</sup> Other health degree (DDS, etc)
- <sup>8</sup> Law degree
- <sup>9</sup> Some other degree

2. **What are your career goals?**

- <sup>1</sup> To do basic biological research
- <sup>2</sup> To do public health or behavioral research
